WINDSOR OPEN

Britain's largest club wrestling competition is back!

After a record-breaking first year, Britain's largest club wrestling comp is back! This year we're introducing a camp to give wrestlers more time to train, learn from other coaches, and connect with fellow athletes. Our aim is to normalise wrestling and make competitions more approachable for everyone.

WINDSOR OPEN

Athletes already signed up from the USA, Ukraine, France, Malta, Lithuania, England & Scotland!
